Supported by the Swiss Confederation

"Green Logistics Manager" project is a Key Activity 2 project funded under the Erasmus+ Programme

AIMS

-  To develop common EU competences for Green Logistic Managers.
-  To create a basic training program for Green Logistic Managers using innovative technologies and open educational resources.
-  To allow Green Logistics Manager to identify Green issues to be tackled & be aware when/where to update own knowledge base in relation to "green" aspects.
-  To enhance knowledge for trainers, managers, stakeholders and companies in the logistic sector, through the cross media platform.

PROJECT OUTPUTS
